Authorization for the Release of Medical Information

By signing this form, I either wish to file a complaint, or I authorize a health care provider to file a complaint on my behalf with the Health Education and Advocacy Unit (HEAU) of the Office of the Attorney General and/or the Maryland Insurance Administration (MIA).

I authorize the HEAU and/or the MIA to contact my health care providers, my insurance carrier, HMO, and other State or Federal government agencies, to obtain any medical records, mental health or substance abuse records, and/or insurance information related to the complaint filed by me or on my behalf. I authorize my health care providers to release any medical records, mental health or substance abuse records, and/or insurance information related to the complaint filed by me or on my behalf to the HEAU and/or the MIA.

I authorize the HEAU and/or the MIA to release my medical record and other information related to my complaint to my health care providers, my insurance carrier, HMO, and other State or Federal government agencies that may assist in the resolution of my complaint. I authorize the HEAU to assist me by mediating my complaint, filing a grievance or appeal with my insurance carrier, or by filing a complaint with the MIA or other State or Federal government agencies that may assist in the resolution of my complaint.

If my complaint is referred to or filed with MIA, I authorize MIA to release my medical records to health care providers, my insurance carrier, HMO, independent review organizations, medical experts and other government agencies or contractors that may assist in the resolution of my complaint.

There is the potential for information provided to be subject to redisclosure in the process of investigating the complaint and pursuing any action required as a result of the complaint investigation. I understand that information about my experience may be used to develop statistical information on the health care marketplace in Maryland or to examine the quality of care of an HMO, but the confidentiality of my identity and medical records will be protected in accordance with Maryland and Federal law.

This authorization is valid for one year. It shall be automatically revoked once the complaint has been resolved. I understand that I may revoke this authorization at any time by notifying the Health Education and Advocacy Unit, which will provide me with a form to sign confirming my revocation.
