Hi I am curious if any of the Committees are addressing the SUD population considering the increase in overdoses..Is that population considered vulnerable under our definition?

Ann Sheridan

2:46 PM

Yes, that's my recollection as well.

The donut hole survey has a question looking at the intersection between substance use and housing options.

Thank you,

Ann Sheridan

3:01 PM

I have the same concerns about my parents.

Ann Sheridan

3:03 PM

Seems like a good line of questioning to add to the donut hole survey

Sandy Bartlett

3:03 PM

I agree Ann.

Maybe also reaching out to the staff at senior centers although they may not be open right now

Ann Sheridan

3:21 PM

Would the local health departments also collect the surveys from medical providers?

Denise McKoy -MDH-

3:22 PM

maybe have the health occupations boards collect the surveys for their individual licensees?
