

## Surviving Abuse, Neglect and Exploitation Committee

8/26/2020 11:00 AM

### Notes

The Public Awareness Committee is holding a town hall on Monday August 31st.

- Both English and Spanish.

Will the SANE Committee want to host a 1-2 hour town hall late September or early October?

- Public Awareness C will be sending a sign up list soon.
- Start thinking of ideas.

All surveys have been sent to the Maryland Department of Health IRB who will review our survey. We will hopefully get our approval by the end of the week.

Surveys are both in SurveyMonkey now!

**Provider survey:** <https://www.surveymonkey.com/r/9DBS6VR>

**Service recipient survey:** <https://www.surveymonkey.com/r/3BNC37P>

A member of Dorinda Adams' department will translate our surveys into Spanish.

- Will get us a timeline on how long the translation will take.

Surveys will be sent to the Policy and Racial Equity Committee so the Task Force can review them.

What email can we send the survey from?

- Will discuss at the Policy & Race Equity meeting on Thursday 8/27.
- We will also provide the surveys on the Maryland Access to Justice Commission and OAG websites.

The Public Awareness & Engagement committee will assist us in putting the survey's in hardcopies (250). Also need prepaid envelopes.

- Reena: The challenge is we do not have a budget.
  - If we want to send a hardcopy we will need to have a specific target that we want to reach that we cannot reach online.

At the end of our survey to service recipients we will be providing detailed instructions on how to use 2-1-1 and Self Help Center to search for any legal/social services throughout Maryland.

- 2-1-1 is currently being discussed across all of the different committees.
  - Evaluating the effectiveness 2-1-1. The Task Force is looking to both give more resources for 2-1-1 and also spread the news about 2-1-1 throughout the community.

After these surveys are out we are going to start discussing more about our **Long Term Goals**. September 3rd is our first deadline for a rough draft of our goals for the Policy & Race Equity Committee.

- Laura will send out a Google Doc form and word form to fill out recommendations
- Please send by the morning of September 2nd.
