You

11:39 AM

Yes

Denise McKoy -MDH-

11:45 AM

would on etopic take 1 hour?

Linda Dennis

11:45 AM

We have some great immigrant affairs staff here in AA Co

Denise McKoy -MDH-

11:45 AM

should we cover several topics and reach as many as possible?

You

11:47 AM

I'm not sure we would be able to give comprehensive info + Q&A if we did multiple topics.

Dorinda Adams -DHS- SSC

11:53 AM

Regarding reporting I think it would be great to even share preliminary findings from surveys.

Shelly, can I give some feedback on the recommendations?

Dorinda Adams -DHS- SSC

Once the survey links go live will we determine the length of time for participation

Kate Figiel-Miller -DJS-

12:24 PM

recipient survey estimates 14 minutes

provider survey estimates 28 minutes

but for both, it's expected that most people (maybe not all!) will be skipped through about half the survey

Dorinda Adams -DHS- SSC

12:27 PM

Sorry I meant how long will we be soliciting responses? Good info though, Thanks

Kate Figiel-Miller -DJS-

12:30 PM

That's a good question. I'm not aware that it has been determined. Two weeks is pretty standard, but given a decentralized dissemination (and providers distributing to recipients), my gut is to consider going a bit longer.

12:31 PM

Hi everyone, I have another zoom at 12:30 so I have to jump off. Thanks

You

12:31 PM

I think Shelly said 30 days

Dorinda Adams -DHS- SSC

12:32 PM

Thanks Kate & Laura. I think 30 days is good with the current environment
