Dear Consumer,

Thank you for contacting the Consumer Protection Division regarding the problems with your new home.

Please complete the enclosed complaint form and return it to us along with copies of all relevant documents. When we receive your completed form, we will attempt to resolve your dispute with your builder through mediation. If mediation efforts are unsuccessful and your complaint is eligible, you may seek recovery from the Home Builder Guaranty Fund. For consideration under the Guaranty Fund, the oath must be completed and signed.

Your complaint will also provide important information that can be used by the Home Builder Registration Unit in tracking the performance of builders. This Unit registers all home builders operating in Maryland, except those building exclusively in Montgomery County.

If you have not already done so, you should also do the following:

- Notify your builder in writing of the problems you are experiencing. If you are able to resolve this matter by talking to your builder, let us know and we will close your complaint. The Mediation Unit may not be able to begin mediating your complaint until several weeks after it receives your complaint form.

- Contact your local building inspection agency to find out what assistance it can offer.

- If your builder provided you with a new home warranty that covers the problems you are experiencing, you should follow the warranty’s claims procedures within its stated deadlines.

Although we are able to resolve through mediation many of the complaints that we receive against new home builders, we are not able to resolve all of them. Depending upon the seriousness of your problem, you may want to contact an attorney to discuss whether pursuing a private legal action against your builder would make sense in your case. The deadline for filing a lawsuit will depend upon the nature of your legal claims. **Please note that in some cases you may need to file suit within two (2) years from the date you took possession of, or settled on, your new home.** If you are nearing the end of this two-year period, you would be well-advised to consult with an attorney immediately, regardless of the status of our mediation efforts.

If you have any questions, please call the Mediation Unit’s hotline Monday through Friday, 9 a.m. to 3 p.m. at (410) 528-8662.
