- (2) Engage in any act, practice, or course of business which operates or would operate as a fraud or deceit on the other person;
- (3) Engage in dishonest or unethical practices as the Commissioner may define by rule; or
- (4) When acting as principal for the person's own account knowingly sell any security to or purchase any security from a client, or when acting in an agency capacity for a person other than such client knowingly effect any sale or purchase of any security for the account of such client, without disclosing to such client in writing before the completion of such transaction the capacity in which the person is acting and obtaining the consent of the client to such transaction.

(b) The prohibitions of subsection (a)(4) of this section do not apply to any transaction with a customer of a broker-dealer if the broker-dealer is not acting as an investment adviser in relation to the transaction or to transactions by a federal covered adviser who is otherwise subject to the limitations on principal trades under the federal securities laws.

(c) In the solicitation of or in dealings with advisory clients, it is unlawful for any person knowingly to make any untrue statement of a material fact, or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading.

(d) (1) The Commissioner by rule or order may require that certain information be furnished or disseminated by investment advisers as appropriate in the public interest or for the protection of investors and advisory clients.

(2) To the extent determined by the Commissioner in the Commissioner's discretion, information furnished to clients or prospective clients of an investment adviser that would be in compliance with the disclosure requirements of the Investment Advisers Act of 1940 and the rules thereunder may be used in whole or partial satisfaction of this requirement.

(e) (1) Except as permitted by rule or order of the Commissioner, it is unlawful for any investment adviser to enter into, extend, or renew any investment advisory contract, unless it provides in writing that:

(i) The investment adviser shall not be compensated on the basis of a share of capital gains on or capital appreciation of the funds or any portion of the funds of the client;

(ii) An assignment of the contract may not be made by the investment adviser without the consent of the other party to the contract; and

(iii) The investment adviser, if a partnership, shall notify the other party to the contract of any change in the membership of the partnership within a reasonable time after the change.

(2) Paragraph (1)(i) of this subsection does not prohibit an investment advisory contract which provides for compensation based on the total value of a fund averaged over a definite period or as of definite dates or taken as of a definite date.

(3) "Assignment", as used in paragraph (1)(ii) of this subsection, includes any direct or indirect transfer or hypothecation of an investment advisory contract by the assignor or of controlling block of the assignor's outstanding voting securities by a security holder of the assignor, but, if the investment adviser is a partnership, an assignment of an investment advisory contract is not considered to result from the death or withdrawal of a minority of the members of the investment adviser having only a minority interest in the business of the investment adviser, or from the admission to the investment adviser of one or more members who, after admission, will be only a minority of the members and will have only a minority interest in the business.

(f) It is unlawful for any investment adviser to take or have custody of any securities or funds of any client if:

(1) The Commissioner by rule prohibits custody; or

(2) In the absence of a rule, the investment adviser fails to notify the Commissioner that he has or may have custody.

(g) The Commissioner by rule or order may adopt exemptions from subsections (a)(4), and (e)(1)(i), (ii), and (iii) of this section, where such exemptions are consistent with the public interest and within the purposes fairly intended by the policy and provisions of this title.

11-303. Misleading filings.

It is unlawful for any person to make or cause to be made, in any document filed with the Commissioner or in any proceeding under this title, any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect.

11-304. Unlawful representations concerning registration, notice filing, or exemption.

(a) (1) Neither the fact that an application for registration under Subtitle 4 of this title or a registration statement or notice filing under Subtitle 5 of this title has been filed, nor the fact that a person or security is effectively registered constitutes a finding by the Commissioner that any document filed under this title is true, complete, and not misleading.

(2) Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the Commissioner has passed in any way on the merits or qualifications of, or has recommended or given approval to, any person, security, or transaction.

(b) It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with subsection (a) of this section.

11-305. Senior investment protection.

- (8) Two copies of the prospectus required by subsection (c) of this section.

(c) (1) As a condition of registration under this section, a prospectus containing any designated part of the information specified in subsection (b) of this section shall be sent or given to each person to whom an offer is made before or concurrently with the first to occur of:

- (i) The first written offer to him, other than by means of a public advertisement, by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution;
- (ii) The confirmation of any sale made by or for the account of the person;
- (iii) Payment under the sale; or
- (iv) Delivery of the security under the sale.

(2) Paragraph (1)(i) of this subsection may be satisfied by the use of a preliminary prospectus, so designated and bearing the legend which the Commissioner prescribes, if a final prospectus is sent or given to each recipient of

the preliminary prospectus before or concurrently with whichever event in paragraph (1)(ii), (iii), and (iv) first occurs.

(d) If a stop order is not in effect and a proceeding is not pending under §§ 11–511 through 11–513 of this subtitle, a registration statement under this section automatically becomes effective at:

(1) 3 o'clock eastern standard time in the afternoon of the 10th full business day after the filing of the registration statement or the last amendment; or

(2) At any earlier time which the Commissioner determines.

11–503. Registration by coordination.

(a) Any security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination.

(b) A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to the information specified in § 11–507(a) of this subtitle and the consent to service of process required by § 11–802(a) of this title:

(1) Two copies of the latest form of prospectus filed under the Securities Act of 1933;

(2) If the Commissioner by rule or otherwise requires:

(i) A copy of the articles of incorporation and bylaws or their substantial equivalents, as currently in effect;

(ii) A copy of any agreements with or among underwriters;

(iii) A copy of any indenture or other instrument governing the issuance of the security to be registered; and

(iv) A specimen or copy of the security;

(3) If the Commissioner requests, any other information or copies of any other documents filed under the Securities Act of 1933; and

(4) An undertaking to forward all future amendments to the federal prospectus, other than an amendment which merely delays the effective date of the registration statement, promptly and in any event not later than the first business

day after the day they are forwarded to or filed with the Securities and Exchange Commission, whichever first occurs.

(c) (1) A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective, if all the following conditions are satisfied:

(i) A stop order is not in effect and a proceeding is not pending under §§ 11–511 through 11–513 of this subtitle;

(ii) The registration statement has been on file with the Commissioner for at least ten business days; and

(iii) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two full business days or any shorter period which the Commissioner permits by rule or otherwise, and the offering is made within those limitations.

(2) The registrant promptly shall notify the Commissioner in writing, by facsimile transmission, telegram, or by any other means that the Commissioner by rule or order may deem appropriate, of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and promptly shall file a post-effective amendment containing the information and documents in the price amendment.

(3) “Price amendment” means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent on the offering price.

(4) On failure to receive the required notification and post-effective amendment with respect to the price amendment, the Commissioner may enter a stop order without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this subsection, if he promptly notifies the registrant by telephone or telegram, and promptly confirms by letter, facsimile transmission, or telegram when he notifies by telephone, of the issuance of the order. If the registrant proves compliance with the requirements of this subsection as to notice and post-effective amendment, the stop order is void as of the time of its entry.

(5) The Commissioner by rule or otherwise may waive either or both of the conditions specified in paragraphs (1)(ii) and (iii) of this subsection.

(6) If the federal registration statement becomes effective before all the conditions in this subsection are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all the conditions are satisfied. If the registrant advises the Commissioner of the date when the federal registration statement is expected to become effective, the Commissioner promptly shall advise the registrant by telephone, facsimile transmission, or telegram, at the expense of the registrant, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under §§ 11–511 through 11–513 of this subtitle, but this advice by the Commissioner does not preclude the institution of the proceeding at any time.

(d) (1) Any security for which the documents required by any regulation adopted by the Securities and Exchange Commission under § 3(b) or § 3(c) of the Securities Act of 1933 have been filed with the Commission in connection with the same offering may be registered by coordination on compliance with subsections (b) and (c) of this section in the manner the Commissioner by rule or order may prescribe.

(2) For purposes of this subsection, the terms “federal registration statement” and “federal prospectus” include the documents, including the offering circular, if any, which may be filed with the Securities and Exchange Commission in accordance with any such regulation.

(e) The Commissioner by rule or order may waive or modify the application of a requirement of this section if a provision or an amendment, repeal or other alteration of the provisions of the Securities Act of 1933, or the regulations adopted under that act, render the waiver or modification appropriate for further coordination of State and federal law.
