Attorney General Frosh Announces \$6 Billion Settlement with Sackler Family

Up to \$1.675 Billion in Additional Payments Secured After Dissenting States' Challenge to \$4.325 Billion Bankruptcy Plan; Sacklers to be Banned from Opioid Business

BALTIMORE, MD (March 3, 2022) - Maryland Attorney General Brian E. Frosh announced today that Maryland, joined by seven other states and the District of Columbia, reached a \$6 billion settlement with the Sackler family. The agreement, reached after weeks of mediation in the wake of his successful challenge to the former \$4.325 billion Purdue bankruptcy plan that released the Sackler family from all liability for the opioids epidemic, will secure at least an additional \$39.6 million for Maryland.

The Sackler family owned and controlled the OxyContin manufacturer Purdue Pharma. The settlement announced today provides for additional payments of \$1.175 to \$1.675 billion, a nearly 40-percent increase over the \$4.325 billion settlement reached last August. The settlement, which is contingent upon court approval, is in addition to the previously agreed \$4.325 billion payment, distribution of Purdue's remaining assets, injunctive relief, and requirement that the Sacklers permanently exit the opioids business worldwide. The additional \$1.675 billion resulting from the settlement will benefit state, local, and tribal governments in Maryland and across the country.

“This hard-won settlement is a tremendous benefit for the country. It will save lives and continue our pursuit of justice for all who have suffered from the epidemic that has destroyed so many families and communities,” said Attorney General Frosh. “For decades, the Sacklers have evaded the law and engaged in a relentless, misleading marketing campaign that left millions ravaged by opioid addiction. We hope that today's settlement will help make real progress against this crisis here in Maryland and across the country.”

Maryland will receive at least \$39.6 million from the settlement, which will be in addition to the amount previously negotiated. The total amount Maryland expects to receive from Purdue and the Sacklers overall— an estimated \$121.9 to \$132.2 million – will be used for opioid treatment

and prevention. Other states – even those that opposed Maryland’s appeal – will also see multi-million dollar increases in their recoveries from Purdue and the Sacklers.

Working with other states, Maryland commenced an investigation of Purdue and the Sackler family members in 2016 for their role in deceptively and unfairly marketing OxyContin and other opioids in violation of Maryland’s Consumer Protection Act. Attorney General Frosh then filed an enforcement action against Purdue and the Sacklers in 2019. Purdue filed for bankruptcy shortly before the scheduled trial, however, and the company secured a stay from the bankruptcy court of all litigation against it and the Sacklers.

Working closely with a group of other states, Maryland continued to litigate against Purdue and the Sacklers in bankruptcy court. During the bankruptcy plan confirmation hearing in August 2021, Maryland worked with its fellow objecting states and the District of Columbia to oppose confirmation of the \$4.325 settlement with the Sacklers. Maryland took the lead in calling as witnesses and cross-examining the four members of the Sackler family who testified during the confirmation trial. When the bankruptcy court nevertheless confirmed the settlement, Maryland again joined its fellow objecting states in appealing the bankruptcy court’s ruling to the United States District Court for the Southern District of New York. The District Court overturned the bankruptcy plan.

Purdue and the Sacklers then appealed to the United States Court of Appeals for the Second Circuit and signaled willingness to resolve the objecting states’ concerns. Maryland and the other eight jurisdictions then secured the additional \$1.675 billion pledge from the Sacklers in a mediation conducted by U.S. Bankruptcy Judge Shelley C. Chapman.

The new settlement keeps intact provisions of the Purdue bankruptcy plan, forcing the company to dissolve or be sold by 2024 and banning the Sacklers from the opioid business.

Once approved by the courts handling the bankruptcy, the new settlement will also:

- Require the Sackler families to pay up to \$6 billion to the states—\$1.675 billion above the initial bankruptcy plan. \$1.175 billion of the additional amount is fixed, and the additional up to \$500 million will be paid upon sale of certain Sackler assets. The final payments are spread over 18 years, with larger payments frontloaded so that State will receive more money earlier as compared to the previous bankruptcy plan.
- Require the Sacklers to provide a statement of regret for their role in the opioid epidemic..
- Require the Sackler family to allow institutions to remove the Sackler family name from buildings, scholarships, and fellowships.
- Require Purdue to make public additional documents previously withheld as privileged legal advice, including legal advice regarding advocacy before Congress, the promotion, sale, and distribution of Purdue opioids, structure of the Purdue Compliance Department and its monitoring and abuse deterrence systems, and documents regarding recommendations from McKinsey & Company, Razorfish, and Publicis related to the sale and marketing of opioids.
- In addition, mediator Judge Shelley C. Chapman will urge the Bankruptcy Court to require the Sacklers to participate in a public hearing where victims and their survivors would be given an opportunity to directly address the family.

Purdue Pharma L.P. (“PPLP”) and its affiliated debtors in the above-captioned chapter 11 cases (the “Cases”), as debtors and debtors in possession (collectively, the “Debtors”), file this motion (the “Motion”) seeking entry of an order, substantially in the form attached hereto as

(7486), Purdue Transdermal Technologies L.P. (1868), Purdue Pharma Manufacturing L.P. (3821), Purdue Pharmaceuticals L.P. (0034), Imbrium Therapeutics L.P. (8810), Adlon Therapeutics L.P. The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

Exhibit A (the “**Order**”), in furtherance of the agreement set forth in the proposed settlement term sheet (the “**Term Sheet**”)² attached hereto as **Exhibit B** among (i) certain Sackler family members and trusts (the “**Sackler Mediation Parties**”), (ii) the Eight States and the District of Columbia that appealed the Confirmation Order (as defined in the Term Sheet and herein, the “**Nine**”) and (iii) the Debtors that was negotiated in mediation (the “**Mediation**”) before The Honorable Shelley C. Chapman (the “**Mediator**”). In further support of this Motion, the Debtors respectfully represent as follows:

Preliminary Statement³

1. On January 3, 2022, this Court ordered the Nine and the Sackler Mediation Parties back to mediation to explore settlement of the Nine’s objections to the Plan in light of the December 16, 2021 decision (the “**District Court Decision**”) of the United States District Court for the Southern District of New York (“**District Court**”) vacating the Confirmation Order. The Mediation has been a notable success. With the critical assistance of the Mediator, the Nine and the Sackler Mediation Parties have reached an agreement, memorialized in the Term Sheet, that secures an additional \$1.175 billion in guaranteed payments, up to \$500 million in contingent payments, and several material and meaningful noneconomic concessions from the Sackler Mediation Parties contingent on the approval of this Court and consummation of the Plan. Under

² Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Term Sheet, the *Twelfth Amended Joint Chapter 11 Plan of Reorganization of Purdue Pharma L.P. and its Affiliated Debtors* (the “**Plan**”), the *Order Appointing the Honorable Shelley C. Chapman as Mediator*, dated January 3, 2022 [ECF No. 4260] (the “**Appointment Order**”) or the *Order Establishing the Terms and Conditions of Mediation Before the Honorable Shelley C. Chapman*, dated January 3, 2022 [ECF No. 4261] (the “**Mediation Terms and Conditions Order**”), as applicable.

³ The description of the Term Sheet set forth in this Motion is qualified in its entirety by reference to the Term Sheet attached hereto as **Exhibit B**.

the settlement reached, the Nine will not oppose the appeal of the District Court Decision currently being prosecuted by the Debtors and the many other supporters of the Plan, given that authorization to consummate the Plan is necessary for implementation of the settlement contemplated by the Term Sheet.

2. Under the Term Sheet, the Sackler Mediation Parties would commit to pay an additional (i) \$723,111,111.13, with potential further payments of up to an additional \$500 million from the net proceeds of the sale of the IACs, to the Master Disbursement Trust (to be distributed pursuant to the Plan to abate the opioid crisis), (ii) \$175 million to the Master Disbursement Trust on the Effective Date in lieu of the requirements with respect to the Foundations provided for in the Plan, also enhancing Plan distributions to abate the opioid crisis, and (iii) \$276,888,888.87, which will similarly be devoted exclusively to opioid-related abatement, including support and services for survivors, victims and their families, to a supplemental opioid abatement fund (the “SOAF”) established, structured, and administered by the Nine (and also benefiting New Hampshire), in each case following consummation of the Plan and on the schedule and terms described in more detail in the Term Sheet. The Sackler Mediation Parties have also agreed to material and meaningful non-monetary terms and concessions and the Debtors have agreed to further supplement the Public Document Repository described in the Plan.

3. These \$1.175–\$1.675 billion in Sackler commitments are in addition to the \$4.325 billion to be paid under the current Shareholder Settlement Agreement (and substitute for their current commitment to replace the controlling members of Foundations having at least \$175 million in assets). As a result, the aggregate payments by the Sackler Mediation Parties would total \$5.5 to \$6.0 billion, with all creditors receiving the same or better recoveries than under the

current Plan. \$5.5 billion is approximately 97% of the total amount of all non-tax cash distributions that Purdue made to the Sacklers since January 1, 2008, nearly 12 years prior to the Petition Date. *See Declaration of Richard A. Collura* [ECF No. 3410] Appendix A (*Cash Transfers of Value Analysis*) at 11.

4. There are also material non-financial terms. The Sackler Mediation Parties have agreed to allow any institution or organization in the United States to remove the Sackler name from physical facilities and academic, medical, and cultural programs, scholarships, endowments, and the like, subject to certain conditions regarding the procedure for announcing such removal set forth in the Term Sheet. The Sackler Mediation Parties have also agreed that a spokesperson will issue the statement annexed to the Term Sheet as Attachment C on their behalf, which includes an expression that they “sincerely regret that OxyContin, a prescription medicine that continues to help people suffering from chronic pain, unexpectedly became part of an opioid crisis that has brought grief and loss to far too many families and communities.” For their part, the Debtors have agreed to supplement the Public Document Repository with additional privileged materials, including additional material related to lobbying, public relations, compliance and prior advice from certain parties related to marketing.

5. In addition, the final report of the Mediator strongly recommends and requests, while stating that the Mediator is of course aware that the conduct of the hearing on this Motion is entirely in the Court’s discretion, that the Court set aside substantial time during the hearing on this Motion to hear from personal injury victims (including those who have lost loved ones, as well as children born with NAS and/or their parents/guardians), selected pursuant to such process as the Court finds appropriate, as representatives of those affected by the opioid crisis, and that at

least one member of the Side A and Side B branches of the Sackler Families also attend the full hearing by Zoom. The Mediator further recommends that no other participant in the hearing on this Motion, including the members of the Sackler Families in attendance, be expected or permitted to respond to or comment on the statements made by such individuals. The Debtors strongly support this recommendation and accordingly request that the Court grant the Mediator's request.

6. Under the Term Sheet, each member of the Nine will agree to withdraw its opposition to the appeal of the District Court Decision (the "**Appeal**") currently being prosecuted by the Debtors and the other Plan supporters, and (along with New Hampshire) to consensually grant the releases provided under the Plan upon its effectiveness. Accordingly, the Plan will no longer be opposed by any state in the country and no release will be imposed on any state over its objection.

7. The deadline for the Nine to file their appellees' briefs in the Appeal is March 11, 2022. It is critical that the Term Sheet be approved before that time, which is why the Debtors—constrained by court-ordered confidentiality until a final settlement was reached—have filed this Motion on shortened notice, something they have very rarely done in these Cases.

8. This extraordinary achievement offers the best chance to preserve—and in fact materially increase—the provision of billions of dollars of value and to dedicate that value to desperately needed opioid abatement efforts as soon as possible. Effectuating the agreements

reflected in the Term Sheet is profoundly in the best interest of the estates and the American people. The Debtors respectfully request that the Court approve the Motion.

Relief Requested

9. By this Motion, and pursuant to sections 105(a) and 363(b) of title 11 of the United States Code (the “**Bankruptcy Code**”), the Debtors request entry of an Order, substantially in the form attached hereto as **Exhibit A**, authorizing the Debtors to take any actions that may be necessary or desirable in furtherance of the agreement reflected in the Term Sheet attached hereto as **Exhibit B** among the Covered Parties, the Nine and the Debtors, and to pay or reimburse certain reasonable and documented fees and expenses of outside counsel of the Nine as contemplated by the Term Sheet in accordance with the procedures with respect to authorization of payment of the fees and expenses of the professionals of the Debtors and the Creditors’ Committee set forth in the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [ECF No. 529] (the “**Interim Compensation Order**”).

Jurisdiction and Venue

10. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and, pursuant to Bankruptcy Rule 7008, the Debtors consent to entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment consistent with Article III of the United States Constitution.

11. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

General Background

12. On September 15, 2019 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary Case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On September 27, 2019, the United States Trustee for the Southern District of New York appointed the official committee of unsecured creditors. No trustee has been appointed in these Cases.

13. These Cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the *Order Directing Joint Administration of Chapter 11 Cases* [ECF No. 59] entered by the Court in each of the Cases.

14. Additional information regarding the Debtors and the Debtors’ Plan can be found in the *Modified Bench Ruling* [ECF No. 3786] (the “**Modified Bench Ruling**”), the Confirmation Order, and the record of the hearing regarding confirmation of the Plan (the “**Confirmation Hearing**”), which the Debtors hereby incorporate by reference.

The Appeals

15. On September 17, 2021, this Court issued the Confirmation Order confirming the Plan, an integral component of which was the agreement reached among the Debtors’ creditors and the Sackler Mediation Parties (the “**Shareholder Settlement**”)—reached following three separate mediations before highly capable mediators—that provided for (among other things) \$4.325 billion in aggregate settlement payments to be funded by the Sackler families and be

distributed pursuant to the Plan and the replacement of the controlling members of Foundations with at least \$175 million in assets.

16. The Nine, among other parties, appealed the Confirmation Order to the District Court. On December 16, 2021 the District Court issued the District Court Decision vacating the Confirmation Order.

17. Upon motion by the Debtors and other Plan proponents, the District Court certified the District Court Decision for immediate appeal to the United States Court of Appeals for the Second Circuit (the “**Second Circuit**”). The Second Circuit granted the petitions for leave to appeal and requests to expedite the appeals, setting the following briefing schedule: (i) appellants’ briefs due by February 11, 2022, (ii) appellees’ briefs due by March 11, 2022, (iii), reply briefs due by March 24, 2022, (iv) appendices and final briefs due by March 28, 2022, and (v) oral argument to be scheduled for the week of April 25, 2022, or as soon thereafter as practicable.

The Mediation

18. On January 3, 2022, this Court entered the Appointment Order [ECF No. 4260] and the Mediation Terms and Conditions Order [ECF No. 4261]. On January 13, 2022, this Court entered an order [ECF No. 4286] initially extending the Termination Date of the mediation to and including February 1, 2022.

19. On January 31, 2022, the Mediator filed the *Mediator’s Interim Report* [ECF No. 4316], which noted that the Mediation to such date had included approximately 100 telephonic meetings that had been held with the Nine and the Covered Parties, as well as dozens of additional telephonic meetings, including with staff of the Nine, certain Attorneys General of the Nine, and certain other parties, including the Debtors and counsel to various ad hoc groups. As further

detailed in such report, the Mediator conducted an in-person Mediation on January 25, 2022 (from approximately 8:30 a.m. until approximately 10:00 p.m.), and on January 26, 2022 (from approximately 8:30 a.m. until approximately 9:00 p.m.), with additional discussions continuing thereafter. By order dated February 1, 2022 [ECF No. 4319], the Court further extended the Termination Date of the mediation to February 7, 2022 at 11:59 p.m.

20. On February 8, 2022, the Mediator filed the *Mediator's Second Interim Report* [ECF No. 4338], detailing, among other efforts, upwards of 150 telephonic meetings with the Nine and the Covered Parties, and extensive negotiations undertaken by certain Attorneys General and staff of the Nine, as well as the Covered Parties. By order dated February 8, 2022 [ECF No. 4339], the Court further extended the Termination Date of the mediation to February 16, 2022 at 5:00 p.m.

21. On February 18, 2022, the Mediator filed the *Mediator's Third Interim Report* [ECF No. 4369], stating that the Mediator designated certain Additional Parties and detailing dozens of telephonic and Zoom meetings between and among the Nine as well as countless email exchanges and telephone calls between and among these parties. Such report also stated that the Sackler Families had authorized disclosure that they had made a settlement proposal that included "\$1.175 billion in total committed cash and up to an additional \$500 million of cash consideration contingent on the net proceeds of IAC sales." By order dated February 18, 2022 [ECF No. 4370], the Court further extended the Termination Date of the mediation to February 28, 2022 at 8:00 p.m.

22. On March 2, 2022, the Mediator filed the *Mediator's Notice of Extension of Mediation Sine Die* [ECF No. 4403], stating that pursuant to Paragraph 2 of the Mediation Terms

and Conditions Order, the Mediator has determined to extend and has extended the Termination Date sine die.

23. On March 3, 2022, the Mediator filed the *Mediator's Fourth Interim Report*, which stated, among other things, that the Mediation Parties had reached agreement on the Term Sheet, a copy of which is attached thereto.

The Term Sheet

24. The Term Sheet provides that the Sackler Mediation Parties will pay an additional (i) \$723,111,111.13 to the MDT on the schedule attached to the Term Sheet, (ii) up to an additional \$500 million, consisting of 90% of the amount by which specified net proceeds from the sale of the IACs exceed \$4.3 billion, to the MDT, (iii) \$175 million to the MDT on the Effective Date in lieu of the requirements with respect to the Foundations under the Plan, and (iv) \$276,888,888.87 to the SOAF, with the allocation of the SOAF funds as set forth in the Term Sheet. The schedule on which such payments are due, ranging from the Effective Date through June 30, 2039, and which payments are due from Sackler family A-Side Payment Parties and which payments are due from the Sackler family B-Side Payment Parties, are set forth on Attachment A to the Term Sheet.

25. The Sackler Mediation Parties have also agreed, upon occurrence of the Effective Date of the Plan, to allow any institution or organization in the United States to remove the Sackler name from physical facilities and academic, medical, and cultural programs, scholarships, endowments, and the like, subject to certain conditions including that any statements issued by the institution in connection with or substantially concurrent with such renaming will not

disparage the Sacklers (while providing that such condition will not restrict any academic or similar work at such institution or organization).

26. The Term Sheet makes clear that the Nine may cite any unsealed or public trial testimony or Sackler public statements, including any expressions of regret, by members of the Sackler families, including when announcing the settlement, and provides that the statement annexed to the Term Sheet as Attachment C will be issued by a spokesperson for the Sackler families within two days of filing of a Mediator's report indicating acceptance of the Term Sheet.

27. The Term Sheet also provides that certain additional privileged materials, including additional material related to lobbying, public relations, compliance and prior advice from certain parties related to marketing, which is specified on Attachment B to the Term Sheet, will be provided by the Debtors to the Public Document Repository.

28. Under the Term Sheet, the Nine agree to take a variety of actions indicating their non-objection to the Appeal at the Second Circuit and non-pursuit of their appeal of the Confirmation Order, subject to a carve-out allowing for amicus briefs only at the merits stage in the Supreme Court should the Supreme Court grant certiorari with respect to the Appeal. Importantly, it is critical that these provisions become effective prior to March 11, 2022, which is the deadline for the Nine to file appellees' briefs with the Second Circuit.

29. In order to implement the agreement provided for in the Term Sheet (and of course all conditioned entirely on one or more orders from the District Court for the Southern District of New York or the Court of Appeals for the Second Circuit allowing for consummation of the Plan), the Shareholder Settlement Agreement will be revised to reflect the additional MDT payments and non-economic terms provided for therein, and a new direct settlement agreement among the

Sacklers and the Nine (the “**Direct Settlement Agreement**”) will be entered into with respect to the payments by the Sacklers to the SOAF. The MDT and SOAF will enter into customary intercreditor arrangements that will provide that SOAF is secured on a *pari passu* basis with MDT and that in the event that any of the payments under the Direct Settlement Agreement set forth on Attachment A to the Term Sheet are not made when due, SOAF (as governed by an intercreditor agreement) will have the same enforcement rights on account of such payments as would be available to the MDT on account of missed payments under the Shareholder Settlement Agreement. The covenants in favor of the MDT in the existing Shareholder Settlement Agreement will not change, other than to allow for the Direct Settlement Agreement (and will not be incorporated into the Direct Settlement Agreement).⁴

30. The Term Sheet also contemplates that the Debtors will pay or reimburse certain reasonable and documented fees and expenses of outside counsel of the Nine, subject to approval by this Court and compliance with the procedures with respect to authorization of payment of the fees and expenses of the professionals of the Debtors and the Creditors’ Committee set forth in the Interim Compensation Order. The Debtors agree to pay or reimburse the reasonable and documented fees and expenses of outside counsel of the Nine in the Cases (including any adversary proceedings, and any appeals thereunder) (the “**Specified Payments**”), in each case accrued through the date of entry of the Order and thereafter in furtherance of the agreements set

⁴ The Proposed Order authorizes the Debtors to (i) revise the Shareholder Settlement Agreement as needed to provide for the incremental payments agreed to by the Sackler Mediation Parties under the Term Sheet and allow for the Direct Settlement Agreement, (ii) provide the additional documents specified in the Term Sheet to the Public Document Repository once established and (iii) take such other steps as may be necessary or desirable in furtherance of the agreements reflected in the Term Sheet and this Order and finds that the agreements reflected in the Term Sheet are in the best interests of the Debtors, their estates, creditors and all parties in interest and do not contravene any prior orders of the Court in these Cases or any provision of the Bankruptcy Code.

forth in the Term Sheet. These payments and reimbursements, which total less than \$4 million in the aggregate as of the date hereof, are in addition to, and distinct from, any payments to which States or their professionals may be entitled under section 5.8 of the Plan, which shall be without duplication of any amounts approved and paid pursuant to the relief requested by this Motion.

Basis for Relief Requested

31. The Debtors' decision to seek authorization to effectuate the agreement in the Term Sheet, including the authority to pay or reimburse the Specified Payments, is a sound exercise of their business judgment under section 363(b) of the Bankruptcy Code. Section 363(b)(1) of the Bankruptcy Code empowers the Court to authorize a debtor to "use, sell, or lease, other than in the ordinary course of business, property of the estate." To approve the use of estate property under section 363(b)(1) of the Bankruptcy Code, the Second Circuit requires a debtor to show that the decision to use the property outside of the ordinary course of business was based on the debtor's sound business judgment in light of "all salient factors" relating to the bankruptcy case. *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070–71 (2d Cir. 1983) ("The rule we adopt requires that a judge determining a § 363(b) application expressly find from the evidence presented before him at the hearing a good business reason to grant such an application."); *In re Ionosphere Clubs, Inc.*, 100 B.R. 670, 675 (Bankr. S.D.N.Y. 1989); *see also In re Hostess Brands, Inc.*, 2013 WL 82914, at *4 (Bankr. S.D.N.Y. Jan. 7, 2013) (RDD) (noting that, *inter alia*, motions to authorize the "sale of property outside the ordinary course," involve "the exercise, as a final call, of the bankruptcy judge's judgment as to the propriety of the action to be taken") (citing *In re Orion Pictures Corp.*, 4 F.3d 1095 (2d Cir.1993)); *In re MF Global Inc.*, 467 B.R. 726, 730 (Bankr. S.D.N.Y. 2012) ("Although not

specified by section 363, the Second Circuit requires that transactions under section 363 be based on the sound business judgment of the debtor or trustee.”).

32. The relief sought herein is also well within the Court’s equitable powers. Section 105(a) provides that a bankruptcy court may “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code].” 11 U.S.C. § 105(a). As the Second Circuit has explained, section 105(a) of the Bankruptcy Code “grants broad equitable power to the bankruptcy courts to carry out the provisions of the Bankruptcy Code so long as that power is exercised within the confines of the Bankruptcy Code.” *Adelphia Bus. Sols., Inc. v. Abnos*, 482 F.3d 602, 609 (2d Cir. 2007) (internal citations omitted). Further, “[a] bankruptcy court has equitable authority under § 105(a) ‘to assure the orderly conduct of the reorganization proceedings.’” *Kagan v. Saint Vincents Catholic Med. Ctrs. (In re Saint Vincents Catholic Med. Ctrs.)*, 581 Fed. App’x 41, 43 (2d Cir. 2014) (citing *In re Baldwin-United Corp. Litig.*, 765 F.2d 343, 348 (2d Cir. 1985)).

33. The Court determined that the Shareholder Settlement is “in the best interests of the Debtors, their estates, and the Holders of Claims and Interests” and is “fair, equitable, reasonable” on the basis of the extensive record of the confirmation hearing and these chapter 11 cases. *See* Confirmation Order ¶ KK(c); *see generally Modified Bench Ruling* [ECF No. 3786] at 71-103. That conclusion has not been disturbed on appeal, and no further approval of the Shareholder Settlement is necessary or is being requested herein. However, implementation of the resolution provided for in the Term Sheet is predicated upon consummation of the Plan—which requires that the District Court Decision no longer bar consummation of the Plan. The Debtors therefore seek authorization to enter into the agreements contemplated under the Term

Sheet and to take any other actions that may be necessary or desirable to effectuate the settlement encompassed in the Term Sheet in advance of restoration of authorization to consummate the Plan. Of course, none of this will be relevant or of any effect unless the Court of Appeals for the Second Circuit or the District Court, as applicable, issue orders or rulings allowing the consummation of the Plan as materially enhanced by the Term Sheet.

34. The resolution provided for in the Term Sheet is manifestly in the best interest of the Debtors, their Estates, and all of their stakeholders. The benefits are myriad and all in favor of the estates. First, the Term Sheet provides for substantial additional payments from the Sackler Mediation Parties that would materially increase the value of the Debtors' estates and the amount of funds that will be dedicated to opioid abatement. Under that resolution, there will be no change to the amount or payment schedule for the amounts to be paid under the Shareholder Settlement Agreement that the Court has already approved. All of the incremental payments that the Sackler Mediation Parties have agreed to under the Term Sheet are in addition to the previously agreed settlement payments. Term Sheet at 1. Second, the Term Sheet does not relieve the Sackler Mediation Parties of any obligations under the existing Shareholder Settlement (except with respect to the obligations concerning the Foundations under the Plan, in lieu of which \$175 million will be paid in cash to the MDT on the Effective Date and represents an improvement to the Plan as it eliminates the contingency of obtaining IRS and other approvals, which in turn, will permit consummation of the Plan and the deployment of abatement resources immediately upon satisfaction of all other conditions). *Id*; see Plan at Section 5.7(1), 12.3(c). Third, the Debtors have agreed to supplement the Public Document Repository, which this Court has described as an important feature of the Plan that would "guide legislatures and regulators" in the future, with

specified additional documents. Term Sheet at 2 & Attachment B; Modified Bench Ruling at 156. The contemplated expansion of the scope of documents to be provided does not require Court approval. Fourth, the Term Sheet will resolve a number of objections to the Plan and Shareholder Settlement, which will increase the likelihood of the effectiveness of the Plan and an expeditious resolution of these Cases. *See* Term Sheet at 3-4. Fifth, the non-economic concessions by the Sacklers are of great importance to many parties in the cases.

35. Authorization to take actions in furtherance of an agreement that resolves the issues that this Court directed the parties to address in Mediation and that provides very significant additional value to the Estates, falls well within the Court's broad equitable powers under Section 105(a) of the Bankruptcy Code as an appropriate order in furtherance of the prior order authorizing the Mediation and for purposes of assuring the orderly and efficient conduct of the reorganization proceedings.

36. Furthermore, a sound business purpose clearly exists for the Debtors' agreement to pay or reimburse the Specified Payments. The Nine have facilitated, and are making ongoing efforts to finalize and implement, the settlement reflected in the Term Sheet, which would bring significant additional value into the Debtors' estates. This Court and other courts have approved the payment of professional fees of unsecured creditors pursuant to section 363(b) under similar circumstances. *See, e.g., In re Purdue Pharma L.P.*, Case No. 19-23649 (RDD) (Bankr. S.D.N.Y. Dec. 2, 2019) [ECF No. 553] (approving payment of certain fees and expenses of the Ad Hoc Committee); *Id.* [ECF No. 2695] (approving the payment of certain fees and expenses of the MSGE Group); *Id.* [ECF No. 4184] (approving the payment of certain fees and expenses of the Non-Consenting States Group, the Ad Hoc Committee, and the MSGE Group); *In re AMR Corp.*,

No. 11-15463 (SHL) (Bankr. S.D.N.Y. Sept. 21, 2012) [ECF No. 4652] (approving payment of an ad hoc group of unsecured creditors' professional fees pursuant to a fee letter approved under section 363(b)); *In re ASARCO, L.L.C.*, 650 F.3d 593 (5th Cir. 2011) (affirming the ruling of the district court and bankruptcy court to approve payment of bidders' due diligence and work fees requested pursuant to section 363); *U.S. Trustee v. July 28, 2003) (affirming bankruptcy court's approval of reimbursement of creditors' counsel's costs and expenses pursuant to sections 363(b) and 105(a)).

37. The Debtors respectfully submit that this Court authorize the Debtors to take any actions that may be necessary or desirable in furtherance of the agreement reflected in the Term Sheet pursuant to Bankruptcy Code sections 105(a) and 363(b)(1), including the payment or reimbursement of the Specified Payments.

Notice

38. Notice of this Motion will be provided to (a) the entities on the Master Service List (as defined in the *Second Amended Order Establishing Certain Notice, Case Management, and Administrative Procedures* entered on November 18, 2019 [ECF No. 498] and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any other person or entity with a particularized interest in the subject matter of this Motion (the "**Notice Parties**"). The Debtors respectfully submit that, in view of the facts and circumstances, such notice is sufficient and no further notice is required. Moreover, on March 1, 2022, the Debtors provided the then current copy of this motion to counsel the UCC, AHC, and former members of

the Non-Consenting States Group other than the Nine, all of whom had become Additional Mediation Parties.

No Previous Request

39. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE, the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and such further relief as the Court may deem just and appropriate.

IT IS HEREBY ORDERED THAT:

1. The Motion is granted as provided herein.

- 8) Subject to the Approval Order becoming final and non-appealable, each Member of the Nine will, upon the conclusion of the Appeal resulting in reversal or vacatur of the District Court's Decision and Order on Appeal issued on December 16, 2021, promptly file a notice and/or motion withdrawing and requesting dismissal of its appeal to the District Court of the Bankruptcy Court's order confirming the Plan.
- 9) If certiorari has been granted by the United States Supreme Court, members of the Nine may file amicus curiae briefs at the merits stage in the Supreme Court with respect to the Appeal, provided that such brief shall note that said member of the Nine withdrew its objections to the Plan in connection with this settlement and is not subject to a non-consensual release under the Plan.
- 10) For the avoidance of doubt, the agreement will not include the requirement to file any other pleadings or present argument in support or in favor of the Plan, and nothing in this agreement limits the ability of the Nine to write, to speak, or to participate fully in any judicial or other proceeding unrelated to Purdue or the Sacklers other than as expressly prohibited by this settlement.
- 11) If any payments or consideration or amounts allocated to any of the Nine under this Settlement Proposal cannot be effectuated because the Approval Order is reversed by a final order of a court of competent jurisdiction, the Sackler family members or trusts shall instead pay such consideration pursuant to one or more alternative mechanisms acceptable to each of the Nine in their sole discretion, that are permitted by or not inconsistent with such final order and also consistent with any subsequent governing court orders (which mechanism may include, without limitation, consent or stipulated judgments satisfactory to the Sackler family members or trusts and in favor of the Nine to be filed in the courts of their respective jurisdictions, with the form of such judgments to be attached to the Definitive Documents on or before the Effective Date of the Plan), provided that all such funds shall continue to be used for opioid-related abatement, including support and services for survivors, victims and their families, and provided further that such alternative mechanisms shall not be adverse to the Sackler family members or trusts as compared to the mechanisms set forth herein (it being agreed and understood that modest additional administrative or similar burdens, including the provision of consent or stipulated judgments satisfactory to the Sackler Family members or trusts as referenced above or a redirection of payments consistent with the allocation set forth herein, shall not be considered adverse). Each member of the Nine shall have the right to terminate the Agreement on and after a period of seven business days (or a shorter period if the full seven-day period would be unduly prejudicial) if the Nine after good faith consultation with one another do not identify and agree upon any such alternative mechanisms.
- 12) Each of the Nine and New Hampshire will voluntarily consent to grant the releases to be provided by it under the terms of the Plan as currently formulated in Section 10.7 thereof upon the effectiveness of the Plan as modified by this settlement and will therefore be voluntarily bound thereby. Each of the Nine and New Hampshire fully reserves its right to object to and litigate non-consensual third-party releases in all other bankruptcy cases.
- 13) Any Plan supporter that has agreed to support the transactions contemplated by this Term Sheet may note in its briefs in the Appeal that, subject to the conditions hereof, the Nine and New Hampshire do not object to, and will consensually be bound to, the releases contained in the Plan. However, any Plan supporter that notes in its briefs in the Appeal that the Nine and New Hampshire are not objecting to, or are being consensually bound to, the releases

	<p>contained in the Plan must note that such consent is not an indication that the Nine or New Hampshire agree with the legality of the Plan or of the non-consensual third party releases included in the Plan.</p> <p>14) The Debtors will advise the Court of Appeals for the Second Circuit that: (a) all states have agreed to be consensually bound by the third party releases in the Plan; (b) that the appeal therefore no longer presents the question of whether claims brought by states against third parties can be non-consensually released in bankruptcy, either generally or under the facts of this case; and (c) and that therefore the following portions of the identified briefs are withdrawn as moot: Section III.B. of the Debtors’ page proof brief at pgs. 79-84 and Section III.B. of the Mortimer-side Initial Covered Sackler Persons page proof brief at pgs. 63-67.</p>
<p>Implementation</p>	<p>1) The Shareholder Settlement Agreement shall be amended to reflect the additional Master Disbursement Trust payments and non-economic terms herein, and a new settlement agreement (the “Direct Settlement Agreement”) among the Term Sheet Parties shall be entered into to reflect the payments to the SOAF, together with customary intercreditor arrangements between the Master Disbursement Trust and SOAF that shall provide that SOAF is pari passu with the Master Disbursement Trust, in each case subject to receipt by the Mediator of acceptances by Sackler Side A, Sackler Side B, the Debtors, and all of the members of the Nine, with consummation of the Shareholder Settlement Agreement so modified and the Direct Settlement Agreement contingent upon entry of the Approval Order by the Bankruptcy Court⁴ and consummation of the Plan.</p> <p>2) Other than as provided in the provision beginning “If any payments” above, this agreement shall be void and have no effect on the rights of the parties if the settlement described herein or consummation of the Plan is barred by a final, non-appealable order of a court of competent jurisdiction, if a court of competent jurisdiction determines in a final, non-appealable order that any essential element of the settlement (including, without limitation, the Direct Settlement Agreement) or the Plan is invalid, or if the Plan otherwise becomes incapable of being consummated.</p> <p>3) The parties acknowledge and agree that upon the Effective Date of the Plan all parties are bound by the terms thereof unless the confirmation order is subsequently vacated.</p>

⁴ Any order or definitive documents effectuating the terms of this Settlement Proposal shall provide that the actions taken by members of the Sackler family or trust or their related parties in accordance with the terms of this Settlement Proposal are taken in connection with the Chapter 11 Cases for purposes of Section 10.7 of the Plan.

Attachment C

Sackler Family Statement

The Sackler families are pleased to have reached a settlement with additional states that will allow very substantial additional resources to reach people and communities in need. The families have consistently affirmed that settlement is by far the best way to help solve a serious and complex public health crisis. While the families have acted lawfully in all respects, they sincerely regret that OxyContin, a prescription medicine that continues to help people suffering from chronic pain, unexpectedly became part of an opioid crisis that has brought grief and loss to far too many families and communities.
