Attorney General Frosh's Statement on Congressional Redistricting

BALTIMORE, MD (April 4, 2022) – Maryland Attorney General Brian E. Frosh today released the following statement:

“We are pleased Governor Hogan has agreed to sign the proposed congressional redistricting map approved by the General Assembly. This map, like the one previously passed by the General Assembly, is Constitutional and fair. Both sides have agreed to dismiss their appeals, and our state can move forward to the primary election.”
