Independent Investigations Division Releases Supplemental Investigative Report of October 2021 Fatal Police-Involved Shooting in Baltimore County

BALTIMORE, MD (July 5, 2022) – The Independent Investigations Division (IID) of the Office of Attorney General today released its supplemental investigative report of the October 11, 2021, fatal police-involved shooting in Baltimore County.

On March 30, 2022, the IID forwarded its investigative report concerning the fatal police-involved shooting of Jovan Singleton to the Baltimore County State’s Attorney’s Office. On April 7, 2022, the State’s Attorney’s Office sent the IID a letter indicating that it would not be pursuing criminal charges against the involved officer, Lieutenant Gregory Mead of the Baltimore County Police Department. Attached to the letter was a report by a detective with the Maryland State Police (MSP), documenting an interview he conducted with Lt. Mead at the request of the State’s Attorney’s office. The IID’s supplemental report analyzes this interview in the context of all other available evidence in this case. For transparency, the interview transcript and MSP detective’s written report are attached to the IID’s supplemental report.
