Statement by Attorney General Frosh Following Press Conference By State's Attorney Marilyn Mosby

BALTIMORE, MD (September 19, 2022) – Maryland Attorney General Brian E. Frosh today issued the following statement following a Press Conference by Baltimore State's Attorney Marilyn Mosby.

“Among the other serious problems with the motion to vacate, the allegations related to Brady violations are incorrect.

Neither State's Attorney Mosby nor anyone from her office bothered to consult with either the Assistant State's Attorney who prosecuted the case or with anyone in my office regarding these alleged violations. The file in this case was made available on several occasions to the defense.”
