## Meeting Chat

Gabby S. Baker5:15 PM

What might be the Governor's motivation to not abide by our request?

Gabby S. Baker5:19 PM

Where possible we should try to identify at least one actual person's story, situation or case, protection of identify, where appropriate.

Sandy Bartlett5:20 PM

The landlord's loss of income to pay their mortgages is a motivation not to extend the moratoria

Marceline White5:20 PM

We did use data wherever possible

Gabby S. Baker5:21 PM

Yes, data is important for sure but might be supplemented by a short story or case to amplify the facts or data conveyed.

Sandy Brantley5:23 PM

What is the Gov extending? I read the EO as lasting through the emergency.

Karen Anderson-Scott -MSDE-5:29 PM

OAH is having in person hearings.

Victoria Schultz5:43 PM

very helpful!

Marceline White5:43 PM

It's a great report. MCRC uses it alot. I was going to suggest you send the link.

Gabby S. Baker5:45 PM

ALICE Report - [www.uwcm.org/alice/](http://www.uwcm.org/alice/)

Zafar ,Gabby is my daughter, using her laptop now. It's Franklyn Baker.

Gabby S. Baker5:50 PM

Updated Maryland ALICE Report data (2018) coming out shortly.

Sandy Bartlett5:56 PM

I do not think it would be good to send both to the Governor at one time.

Sandy Brantley6:00 PM

Who will be the recipient of the other funds?

zafar shah6:02 PM

I have to get onto another call. I'll catch up with Reena and company.

Marceline White6:02 PM

Which funds? For the HOPE-like hotline, we would need to figure out where it would be housed. But there are a number of financial counseling, coaching, consumer education, housing counseling and tenant groups that would supplement civil legal aid,

Victoria Schultz6:03 PM

would DHCD administer the funds and make that call or do you have a specific suggestion?

for the hotline

and the other financial counseling groups

Marceline White6:04 PM

DHCD administers HOPE Hotline so it's possible but it could be through AG or CFR-we honestly haven't dug into the details at that level yet. Open to suggestions.

Steve Sakamoto-Wengel6:06 PM

Don't think that DHCD would make sense for the debt hotline. Not sure what Government agency would be best or if a nonprofit like CASH-MD or CCCS-MD or United Way would make the most sense
