Agree David and on that thinking bigger point, we should consider opportunity for a local voucher and housing counseling program longterm...

Unknown1:28 PM

I agree with David. Would these models include other services, along with counseling and mental health services.. some of the underlining issues?

Adria Crutchfield1:29 PM

Definitely, Claudia!

Peter Sabonis1:29 PM

Unknown1:36 PM

I agree, creating sustainability.

Gregory Riddick Sr1:40 PM

Holistically speaking, peer support and Mental Health First Aid training with a trauma informed approach is very impactful

Gregory Riddick Sr1:45 PM

it is possible to have training sessions with these individuals and families to empower them to make the better choices. This radical but very possible.
