Data Dashboard - Message from Matthew

The data dashboard is officially ready to be reviewed. Could everyone take a look and give me your thoughts? If you provided data for this dashboard, first, thank you very much. Second, please take a look at how your data is presented and how your organization is described on the homepage. I'm happy to make changes.

Edits I'm Looking For:

- Text that is confusing
- Charts that are confusing.
- Filters/Legends that need to be moved or changed.
- Charts that should be moved around.
- Typos
- UX things

Please add all your changes to this google doc.
